

5. 海外で講演した大学・研究所

University of Washington (U.S.A)

Rutgers University (U.S.A)

Whiteshell Research Institute, Atomic Energy of Canada Limited (Canada)

Cambridge University (England)

Institute of Crystallography, Academy of Sciences (U.S.S.R.)

Institute of the Physics of Metals, Academy of Sciences (U.S.S.R.)

University of Groningen (the Netherlands)

Delft Institute of Technology (the Netherlands)

Stuttgart University (Germany)

University of Strasbourg (France)

L. Eötvös University (Hungary)

Veszprem Institute of Technology (Hungary)

Tehran University (Iran)

Office of Atomic Energy for Peace (Thailand)

Chulalongkorn University (Thailand)

Pusan National University (Korea)

Korea Ocean Research & Development Institute (Korea)

China Institute for Radiation Protection (Taiyuan, China)

Taiwan Petroleum Association (Taiwan)

International School of Plasma Physics ;

“Tritium and Advanced Fusion Reactor” (Milano, Italy)

American Chemical Society 200 Memorial Meeting (WashingtonD.C., USA)

National Institute of Oceanography (Split, Croatia)
